

REMARKS

This is in response to the Office Action of July 20, 2004.

Claims 1-12 have been rejected under 35 U.S.C. 112 second paragraph as being indefinite for failing to particularly point out and distinctly claim the invention. Applicant has amended independent Claim 1 as well as Claims 6, 9, 10, and 11. The Examiner notes that Claims 1-12 would be allowable if amended to overcome the objection and the rejections under 35 U.S.C. 112. Applicant's amendments do precisely what is requested and the claims should now be allowable.

The drawings were objected to by the Office Draftsman and applicant has remedied the drawings, which have been submitted on October 1, 2004.

SUMMARY

Reconsideration and allowance of this application in its amended form is respectfully requested.

Respectfully submitted,
